

Intermediate Chorus for Grades 4/5/6

Fourth, fifth, and sixth grade students may elect to be in Intermediate Chorus. The chorus will meet once a week, learn choral techniques, and prepare for two concerts. Chorus will perform in the Christmas concert and in a spring concert. Additional performances for other reasons may be added. Mrs. Bernot is the choral director.

The choral group meets during the school day once a week. Additional practices *after school* may be scheduled as the date of the concert approaches and additional practice is needed.

The students in grades 4, 5, and 6 also take general music.
