

Betelgeuse, Betelgeuse, Betelgeuse

This sixth grade science club takes its name from one of two major stars in the constellation Orion, the hunter. Mrs. Kestner is the moderator. This energetic group of stellar scientists meets in the science lab from 3:00 until 4:00 after school.

The club members work as a team to solve problems and just have fun with science. Since space in the lab is limited, please return your application ASAP, during homeroom. Club members will be admitted on a first come, first serve basis. The only requirement to participate in this fun-filled club is a love of science.

The meeting dates will be listed on our online **Activity Calendar** at www.mqaschool.org. Students are dismissed from bottom door exit to the parking lot on Freeport Road. If you are unable to collect your child at 4:00, your son/daughter will report to Extended Day. A fee of \$10.00 will be charged for the service.

Application for Betelgeuse

Name _____ Grade _____ Homeroom _____

Home phone number _____

\$10 materials fee to be made out to MQA and must accompany application. Applications are due the last Thursday of September.

I understand I am responsible for arranging to pick my child up at 4:00 on Betelgeuse Club days listed on the school's Activities Calendar. I understand my child will not call home to remind me of the club's meeting. While I give permission for my child to attend this club, we understand that it is my son's/daughter's responsibility to report to the club. Attendance is taken, but parents are not called for those students who do not stay for meetings. *If Mrs. Kestner has to cancel due to unforeseen circumstances, my child will call home to notify me of the change.*
